General Superintendent.

The telegraphic dispatches of yesterday afford nothing worth publishing.  
Gen. Gillem arrived in the city last night, and we learn will remain a day or two.

COULDN'T GET CONFIRMATION.—One Geo. C. Sullivan, not satisfied with his appointment by Gen. Ord. as Sheriff of Oktibeha county, sought yesterday to have his commission ratified by the Convention. The Convention, however, declined to claim jurisdiction, and so the ridiculous request was laid on the table. Sheriff Sullivan might be doing better business for himself and State, by attending to his official duties in Oktibeha, rather than by publicly gallanting "ladies of color" at the Capital.

Arrival of Gilbert H. Bates.  
Sergeant Gilbert H. Bates, the great "walkst," arrived in this city yesterday morning, having left Clinton at ten o'clock. After dining at the Benton House, he came up Capitol street about three o'clock, carrying a beautiful silk bag. He was met and welcomed by a large crowd at the Capitol gate, and from there conducted to the Convention Hall, whence a messenger had been sent to invite him. On entering the hall, and upon the motion of Mr. Woodmansee, Sergeant Bates was conducted to the Secretary's desk and related the origin and subject of his expedition.

He stated that he is a native of Dane county, Wisconsin, and a citizen of the town of Albion in that State; that at a casual meeting of friends and neighbors on the 14th of December last, a declaration was made that the people of the South were not yet to be trusted; and that if the troops were withdrawn they would tear down the flags—that they were as rebellious to-day as during the war, etc. In order to demonstrate the absurdity of such assertions, Sergeant Bates proposed to walk from Vicksburg to Washington, bearing the United States flag, provided the parties with whom he was conversing, would obligate themselves to pay his family one dollar per day. The proposition was accepted, and writings entered into to confirm it. He had been advised that it was a hazardous task, and that he should have his life insured, but he would rely, for his insurance, upon the good sense and loyalty of the Southern people. He believed that the people of the South would respect the flag; at any rate, he would attempt to go through, be the consequences what they may. He stated that he was not acting for any party,—for the flag only. Three cheers were given for the flag, and three, with a "tiger" for Sergeant Bates.

At the conclusion of his remarks, Judge Potter was called upon, who remarked, substantially: Sergeant Bates, we welcome you to the Capital of Mississippi. We are glad to receive you with the flag you bear, a herald of peace and union to the Southern people. You may be assured that you are received, and that you will leave with our hearty good will; and we believe that your exploit will show to the North that your confidence in the honesty of the Southern people is well founded. We owe you thanks that you have undertaken this great labor for the conviction of some of your doubting fellow-citizens, and for the conviction of some here at home who have taken the strange fancy that the flag is not yet over. The Southern people desire, sir, peace, hearty brotherhood and perpetual union under the constitution as our fathers framed it; and on your long journey, I feel assured that you will find the Southern soldier your best friend, and the Southern citizen everywhere will welcome you to what remains of his home. In conclusion, Judge Potter wished the Sergeant a peaceful and prosperous journey.

It was the intention of Mayor Barrows to formally welcome Sergeant Bates to the city, but being absent at the time of arrival, he was welcomed, on behalf of the Mayor and citizens by Jas. R. Verger, Esq., in a brief and appropriate speech.

Sergeant Bates will leave for Brandon this morning at half past 9 o'clock, starting from the Capitol gate. He expects to reach Washington within ninety days. He will pass through Meridian, Selma, Montgomery, Columbus and Milledgeville, Ga., Columbia, S. C., and Charlotte, N. C. He is quite confident of being able to make the trip. He is dressed in a suit of black velvet, presented him at Vicksburg, and travels unarmed and unattended. He is thirty years of age, 5 feet, 6 inches high and weighs 142 pounds. He has a wife and two children. He was a Sergeant in the 1st Wisconsin Battery. We wish him God speed.

"Canst thou not minister to a mind diseased And, with some sweet, oblivious antidote, Undress the foolish bohemian of the peevish staff That weighs upon the heart?"  
Certainly, Plantation Bitters will do it when nothing else will. Melancholy, Depression, Bile, Peevishness, Inactivity, all spring, more or less, from a diseased stomach, and this Plantation Bitters is a sure cure for it. There is no mistake about it; Dyspepsia, Headache, Flatulency, Acidity and Low Spirits must yield to the health-giving and genial influence of the Plantation Bitters. If you are in doubt, make one trial and be convinced. Thus say those who know.

MAGNOLIA WATER.—A delightful toilet article superior to Cologne and at half the price.

SPECIAL NOTICES.

No Health without Vigor.  
The wear and tear of life tells upon us all more or less. While we are but machines? The vital principle is the motive power that keeps the human engine in motion; but as beams, pistons, connection pipes, condensers and boilers wear out, so do organs, muscles, tissues and all the compound parts of that marvelous piece of work called MAN.  
The mechanism of the body requires to be repaired and strengthened just as much as the mechanism employed to grind corn, or spin cotton, or weave cloth. Steam cannot drive a broken shaft, or impel a drum or a wheel that is out of gear; neither can the vital force act through a paralyzed limb, or a heart organ. ARE YOU WEARING OUT? Do you feel that any one of your organs—your stomach, liver, bowels, nervous system, or any other essential part of your organization, falters in its work? If so, repair the damage with the most powerful, yet harmless, of invigorators, HOSTETTER'S STOMACH BITTERS.—Remember that debility is the "beginning of the end"—that the climax of all weakness is an universal paralysis of the system, and that such paralysis is the immediate precursor of DEATH.  
Don't wait for disease to commit its ravages before you commence the strengthening process. Keep the whole body in a vigorous condition by preventing, as far as possible, the inroads of decay. Repair the waste of nature with nature's best tonic, HOSTETTER'S BITTERS.

Extract of a Letter From

PROVIDENCE, ALA., May 15, 1866.  
DR. JOHN BULL: I send you \$30 for CEDRON BITTERS; please send what will come to after paying eight to Columbus, Miss. I have been troubled for several years with indigestion, have had to take pills every night for ten or fifteen years, and in February last was attacked with general paralysis. I was confined to my room for the balance of the year; and, in fact, continued in a very weak and nervous condition until some two months since, when I was put under an operation, and your CEDRON BITTERS for treatment. I commenced improving right away, and am pretty well restored.  
Yours truly,  
A. L. NEAL,  
LOUISVILLE, KY., Nov. 25, 1865.  
I received this day the following, from Lancaster, Kentucky:  
DR. JOHN BULL: Please send me in haste, for my own use, ONE DOZEN of your CEDRON BITTERS. I have tried them, and find them all you claim for them.  
Yours respectfully,  
G. W. SHINDEBOWES.

Another Testimony.

BLOOMINGTON, ILL., Oct. 14, 1864.  
DR. JOHN BULL: We made an arrangement with your agent, July 20, 1864, for selling your Cedron Bitters, and are about sold out. We want (one gross) twelve boxes more, without delay. We are introducing them readily, and think they answer a good purpose.

We wish to call the especial attention of our readers to the advertisement in another column of the enterprising firm of James Ruddle & Co., of Louisville, Ky. We do not wish to intend to recommend all the patent medicines that come along, "war wanted to cure all the ills that flesh is heir to," but when, as in this case, they are put out by men of long experience in the practice of the healing art, men of standing in the community in which they live, and when the medicines themselves have stood the test of a quarter of a century, (as is the case at least with some of these,) and more especially when they do not claim to do too much, we cannot see why they might not be taken in the special diseases for which they are recommended, with at least as much confidence as the prescription of a regular physician.

Coe's Cough Balm will invariably cure the most distressing Cough or Cold, no instance of failure has ever been heard of.  
Coe's DYSPEPSIA CURE, the great remedy for all diseases of the Stomach.  
Physicians endorse and use it. It cures Headache, Dizziness, Heartburn, Bad Breath, Cholera Morbus and other diseases too numerous to mention.  
LYON'S PAIN EXPELLER, the Great Female Remedy, for all irregularities, although so powerful and positive they are perfectly harmless, and may be used at all times not specially forbidden in the directions.  
POLLOCK'S MAGIC BILIOUS POWDERS, a most wonderful cure and preventive of Fever and Ague. The cheapest remedy of the kind sold. Price only 50 cts. Sold in Jackson by

A CARD.  
WHAT IS TARRANT'S EFFERVESCENT SELTZER WATER, and what are its effects? These are questions which the Southern public has a right to ask and it has also a right to expect a candid and satisfactory reply. The preparation is a mild and gentle saline containing cathartic, alterative and tonic and is most carefully prepared in the form of a snow white powder, containing all the wonderful medicinal properties of the famous Seltzer Springs of Germany.

Of its effects, we would say that those who have tested the preparation are the best judges and they declare over their own signatures, that the preparation will promptly relieve indigestion. Regulate the flow of the bile. Cure every species of biliousness. Tonicize the nervous system. Refresh and invigorate the weak. Mitigate the pangs of rheumatism.—No irritative acid in the stomach. Cleanse and tone the bowels. Assist the failing appetite. Cure the heart-burn.  
If you are a sufferer give this remedy one trial, and it will convince you of the above facts.

MR. EDITOR:—Noticed with pleasure in a recent number of your paper a card signed by Dr. J. D. Miles, complimentary to Dr. B. Jones, formerly a citizen of this place. We unhesitatingly endorse Dr. Miles' statement and join him in recommending Dr. Jones to the citizens of Jackson and vicinity, as a faithful, honorable and successful physician, whose success we would at all times be glad to hear, and we are convinced that he must succeed if he resolves that patriotism be his skill, experience and superior ability in his profession.

PIANO FORTES.

J. BAUER & CO., AGENTS.  
WAREHOUSES,  
650 BROADWAY, NEW YORK,  
99 Clark St. and Crosby's Opera House,  
Washington St., Chicago, Illinois.

Read the following commendatory letters from distinguished Artists.

Wm. Knabe & Co.—Gentlemen:  
I have great pleasure in certifying that I have tried your Square Piano and find them equal, if not superior, to any in this country. Among the great qualities which distinguish them, is the evenness of tone, the easy and agreeable touch, and the volume of tone, which you all the success which you so highly deserve. I am, sir, Yours, very truly,  
S. THALBERG.

Wm. Knabe & Co.—Gentlemen:  
Having had lately an opportunity to try and test your new scale Grand as well as Square Pianos, I cannot refrain, besides reiterating all I had occasion to say at a former period, from congratulating you on the important improvements you have introduced in the construction of Pianos. Your instruments are not only of the quality which are required to make a Piano as perfect as possible, and fully deserve the great popularity they have gained all over the country.  
Yours truly,  
L. M. GOTTSCHE.

Wm. Knabe & Co.—Gentlemen:  
I cannot but congratulate you upon the immense progress and improvements which you continually make in your Pianos, which, in my opinion, rank among the very best in the country.  
M. STRAKOSCH.

Wm. Knabe & Co.—Gentlemen:  
Our Opera Troupe are at present using four of your justly celebrated Pianos, and as the exponent of the "Crescendo" and "Decrescendo," permit me to say: I consider them as unsurpassed in durability and resistance, and pre-eminent, without a rival in this country or in Europe. Their construction is of the most combining great depth and powerful volume, with a rich and peculiarly clear and even treble, combined with magnetic elasticity of touch and action, render them superior to the other instruments, which rarely, if ever, combine those most essential requisites. Profoundly impressed with the many valuable qualities of these Pianos, I most cheerfully endorse the high and meritorious encomiums every where bestowed upon them.  
F. RIZZO,  
Musical Director of the Italian Opera  
New York, Dec. 12th, 1864.

Wm. Knabe & Co.—Gentlemen:  
Your Agent, Mr. Bauer, asked me to give him my opinion as to the merits of your Pianos, Grand and Square. My opinion "on the square" is that they are all grand.  
Yours truly,  
ROBERT HELLEG.

Wm. Knabe & Co.—Gentlemen:  
I have carefully examined your new scale Grand and Square Piano Fortes, and I must say that they please me exceedingly, both with regard to touch and tone, and I can confidently recommend them as being equal to any of the kind in this country. I have given permission to make use of my name if of service to you.  
Yours, respectfully,  
GEO. W. MORGAN,  
Organist of Grace Church,  
New York, Dec. 12th, 1864.

Wm. Knabe & Co.—Gentlemen:  
It affords me great pleasure to testify to the great excellence of your Piano Fortes. As regards volume, quality of tone, delicacy of touch, durability and finish, I believe they will compare favorably with those of our most celebrated makers, and I am confident that they are the success which you so eminently deserve.
